

Creating a **Positive** Tech-Forward School Culture

COMMIT

Make a commitment to investing in the right tools — solutions that simplify processes with a robust platform.

SUPPORT

Provide support in implementing tools with a team of dedicated experts to champion technology.

INSPIRE

Lead by example at the admin level; a tech-savvy principal inspires a modern digital school environment.

EMPOWER

Allow teachers to choose digital tools when possible; involvement builds positive reception to change.

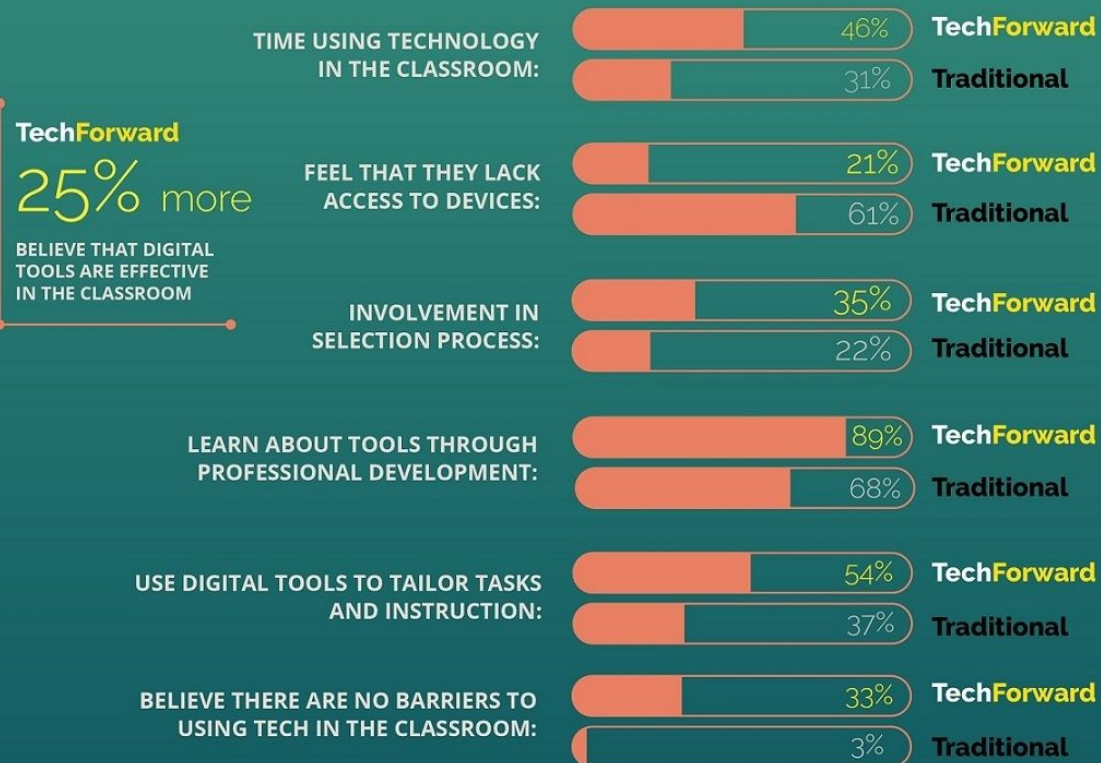

ENCOURAGE

Help teachers integrate digital tools, give dedicated time to adjust instruction based on real-time digital data.

Teacher engagement is crucial to successfully implementing digital tools in the classroom.

Here's how teacher perceptions change as you create a positive tech-forward culture:
